LRB099 08887 JLK 33453 a

1 AMENDMENT TO HOUSE BILL 3887

2 AMENDMENT NO. _____. Amend House Bill 3887 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Business Assistance and Regulatory Reform
5 Act is amended by adding Section 20 as follows:

6 (20 ILCS 608/20 new)

7 Sec. 20. Review of rules and regulations; reporting.

8 (a) As used in this Section:

9 "Small business" means a corporation or a concern,
10 including its affiliates, that is independently owned and
11 operated, not dominant in its field, and employs fewer than 50
12 full-time employees or has gross annual sales of less than
13 \$4,000,000. For purposes of a specific rule, an agency may
14 define small business to include employment of 50 or more
15 persons if it finds that such a definition is necessary to
16 adapt the rule to the needs and problems of small businesses

1 and organizations.

2 "State agencies" means all officers, boards, commissions,
3 and agencies of the executive branch, including all officers,
4 departments, boards, commissions, agencies, institutions,
5 authorities, universities, and bodies politic and corporate
6 thereof; and administrative units or corporate outgrowths of
7 the State government which are created by or pursuant to
8 statute, other than units of local government and their
9 officers, school districts and boards of election
10 commissioners; all administrative units and corporate
11 outgrowths of the above and as may be created by executive
12 order of the Governor.

13 (b) Each State agency shall scrutinize its rules,
14 administrative regulations, and permitting processes as they
15 pertain to small businesses in order to identify those rules,
16 regulations, and processes that are unreasonable, unduly
17 burdensome, duplicative, or onerous to small businesses. The
18 goal of this review is for each State agency to:

19 (1) recommend changes that will lessen the reporting
20 and paper work requirements on small businesses while still
21 achieving the intent of the underlying statute;

22 (2) eliminate unnecessary or antiquated permit
23 requirements;

24 (3) consolidate duplicative or overlapping permit
25 requirements;

26 (4) simplify overly complex or lengthy application

1 procedures; and

2 (5) expedite time-consuming agency review and approval
3 procedures.

4 (c) Each State agency must conduct its initial review of
5 its rules, regulations, and permitting processes under
6 subsection (b) of this Section within one year of the effective
7 date of this amendatory Act of the 99th General Assembly, and
8 every 5 years thereafter. At the conclusion of each review,
9 each State agency must issue a report containing the results
10 from its review and any recommendations to the Office of
11 Business Permits and Regulatory Assistance, the Governor, and
12 the General Assembly. "
